Defendant.)	

1 The Court's Order entered on December 2, 2011 (docket entry no. 38) directed the parties to
 2 file a Joint Status Report no later than January 17, 2012. The parties, by and through their
 3 undersigned counsel, respectfully submit this Joint Status Report.

4 1. In their previous Joint Status Reports, the parties have advised this Court that:

5 (a) The Provider Reimbursement Review Board ("PRRB") had issued its decision dated
 6 January 26, 2009 in the case of Quality 89-92 Hospital Based SNF, Group Appeal No. 98-1376G
 7 (the "Group Appeal"). See Docket Entry Nos. 30, 31, 33, 34, 35, 36, 37 (all advising this Court
 8 of this development).

9 (b) In a decision dated March 20, 2009, the Administrator of the Centers for Medicare and
 10 Medicaid Services reversed the decision of the PRRB. The March 20, 2009 decision of the
 11 Administrator of the Centers for Medicare and Medicaid Services constituted the final decision
 12 of the Secretary regarding the Group Appeal. See 42 U.S.C. § 1395oo(f). See Docket Entry Nos.
 13 31, 33, 34, 35, 36, 37 (advising the Court of this development).

14 (c) The hospitals participating in the Group Appeal, which include the Plaintiffs in the
 15 instant case (but for different fiscal years than in the instant case), filed a Complaint in the United
 16 States District Court for the District of Columbia on April 6, 2009, as amended on April 9, 2009.
 17 Glendale Memorial Hospital and Health Center et al. v Sebelius, Case No. 1:09-cv-637 (D.D.C.
 18 2009) ("Glendale Memorial Hospital"). See Docket Entry Nos. 31, 33, 34, 35, 36, 37 (advising
 19 the Court of this development).

20 (d) The parties ultimately settled the Glendale Memorial Hospital District of Columbia case
 21 and on September 15, 2011, they filed a Stipulation of Settlement and Dismissal which was
 22 incorporated into an Order the Court entered on October 11, 2011. See Glendale Mem'l Hosp.
 23 and Health Ctr., et al., v. Sebelius, Case No. 1:09CV00637 (D.D.C. 2009), Docket Entry Nos. 43
 24 and 44.

25 (e) On or about November 15, 2011, the settlement agreement in the Glendale Memorial
 26 Hospital action was fully implemented. See Docket Entry No. 37.

27 2. On November 23, 2011, the parties to this action filed a Joint Status Report in which they
 28 reminded the Court of all of these developments. See Docket Entry No. 37. The parties however
 requested "the opportunity to confer further, which may include exploring potential settlement,

1 and to file a further Joint Status Report with the Court no later than January 15, 2012, informing
 2 the Court of their proposed case management plan.” Id. at 4, ¶ 5.

3 3. In an order dated December 2, 2011, the Court granted the parties’ request that they be
 4 given an opportunity to confer further and to thereafter file another Joint Status Report, and
 5 directed the parties to file a Joint Status Report no later than January 17, 2012. See Docket Entry
 6 No. 38.

7 4. The Plaintiffs have submitted a settlement proposal to the Defendant. The Defendant
 8 requires additional time to complete its review and to respond to the Plaintiffs regarding the
 9 settlement proposal. Accordingly, the parties jointly request that they be given an additional
 10 thirty one (31) days, through February 17, 2012, within which time the Defendant can complete
 11 its review of and respond to the Plaintiffs regarding the settlement proposal. At the conclusion of
 12 that 31-day period, the parties are prepared to submit a Joint Status Report advising the Court of
 13 the status of their settlement negotiations. If, before February 17, 2012, either party reasonably
 14 believes that settlement will not be achieved, it shall notify the other party and within the earlier
 15 of five days thereafter or February 17, 2012 the parties shall file a Joint Status Report advising
 16 the Court of that fact and submit a proposed case management plan.

17 The filer of this document, attests that concurrence in the filing of this document has
 18 been obtained from each of the other signatories.

 20 Respectfully submitted,
